DISCLAIMER CLAUSE:

- By signing this form, you are confirming that you agree that you will not attempt to gain entry into the Disco marquee. We have to insist, for safety reasons, that parents remain outside and clear of the entrance. Please consider this before purchasing a ticket - if your child does not like to be left alone then this may not be the event for them.
- The St Lawrence Fair Committee cannot take responsibility for any child that attends the Disco.
- Please advise your child that toilets are not available inside the marquee so if they need to leave for a toilet break, we are unable to escort them.
- Can we please request that your child is told where their parent/carer will be whilst they attend the Disco to avoid any upset or the child becoming lost if they wish to leave before the end.
- Committee members/volunteers will be at the entrance of the Marquee during the Disco but as there is not a door we can open/close, we are unable to control all of the children entering & leaving.
- We hope that all the children have lots of fun; this disclaimer has been added to ensure the safety and happiness of all the children attending.
